Dear Charlie:

I have just learned the sad news that your daughter has been quite ill at Norton, Kansas. May I extend to you my heartfelt sympathy for her recovery.

I understand your son is doing splendidly with the International Harvester.

I often think of the good times that we had together 35 or 40 years ago.

My kindest regards and best wishes to you and your good family.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
