Dr. C. W. Lyon,
Victory Life Insurance Co.,
Topeka, Kansas.

Dear Charlie:

I was happy to hear from you, and to know of the fine progress in your daughter's health.

I know Cecil Peterson, and you may be sure that I will put in a good word for him whenever I can. Reaves Peters, as you doubtless know, is the Commissioner of the Big Six, and I believe it would be wise for Pete to write him at 342 So. Chelsea, Kansas City, Mo., so that he may be put on his reference list. It may be, however, that Reaves already has him on his list and got him to work in the Doane game.

E. A. Thomas, of Topeka, appoints the officials for the Kansas Conference games, and selected the men who worked our game with Bethel College on December 18.

I will be very happy to help Pete in any way I can, and if his good work can be brought to the attention of Reaves Peters I would be glad to have him work some of our games. In the Big Six the coaches list the officials according to their idea of their efficiency, and Peters appoints them. I shall be glad to help Pete, and of course indirectly the Lyon family in any way I can.

It was good to hear from you, and I hope to see you again and have one of our old time visits recalling the days when we played together.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
