Mr. D. R. Lidikay,  
Superintendent of Schools,  
Benner Springs, Kansas.

Dear Mr. Lidikay:

Thank you for your letter of the 17th instant. Because of the war situation we are not as yet sure how many men we will have available for coaching jobs.

Most of our physical education majors have a minor in biological sciences, but we will perhaps be able to suggest someone who could handle your mathematics courses. Within the next month we will be able to answer you more definitely.

I will be glad to keep your need in mind, and write you again in the near future.

Very sincerely yours,

FCA:AH
