Dr. F. C. Allen,  
Director Of Physical Education  
University of Kansas  
Lawrence, Kansas.

Dear Dr. Allen:

Word has come to me that Dr. Elbel is leaving the University to take a position with the Service. This will no doubt create a vacancy in the Intramural Department. In the event you decide to hire a man to teach, and another man to administrate the affairs of the Intramural Department, I should like to apply for the position.

I worked in the office under Dr. Elbel for a full year, and I believe he was satisfied with the work. Also I made an "A" in his course in Administration of Intramural Athletics. In addition to these facts I have permanent draft deferment.

In the event you are interested further I can supply any information you might desire if you will write me at either of the above addresses.

Very Sincerely Yours,

*Harold E. Long*
