Dear Dr. Allen:

I'm hoping that K. U. will be on top again this year in basketball. It's the one thing I can always boast that Kansas has to offer.

Is K. U. playing in New York City this winter? If so I'd rather like to know because if it's at all possible I intend to be there.

I've been working eighty miles from there since the middle of June. The work is with dependent adolescent girls and is very interesting.

Would you please let me know if Kansas is to play near New Haven anytime? I don't want to miss seeing them play if it can be arranged.

Please remember me to Mrs. Allen and I hope this is another successful year for you.

most sincerely,
Genevieve Landrith
