

January 18, 1941

Mr. Paul Fairhurst
General Sales Director
Lowe & Campbell
1509 Baltimore Ave.
Kansas City, Missouri

Dear Paul:

I have just received the Adjusto-Ray lamp and immediately screwed the bulb into the lamp and connected it. A little fizzle and the jig was up. The platinum or soldering, or whatever it was, came loose and there was no juice. How is that for poetry?

I am returning herewith the busted bulb, please send me another one.

My English is as poor as my patience!

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
