Registrar Office  
Kansas University  
Lawerance, Kans.

Minneapolis, Kans.

10 / 8 / 40.

Dear Sirs:-

I am interested in knowing who I should contact in regard to the supervision of the riding academy of the University.

Not knowing where to acquire the wanted information, I thought perhaps the Registrar's Office may be able to furnish me the name of the person or persons to whom I should write.

My chief interest with said person or persons is the sale of a very fine riding horse (gelding) to them, as I have knowledge of the academy losing several horses by disease.

If your office can furnish this information; please send it to-
