

PLAYS UNBEATEN FALLS CITY

Mar to Perfect Record Tonight Is Aim of Creighton Prep Cagers.

FALLS CITY, NEB., Feb. 20.—The Falls City basketball team that battles the strong Creighton Prep aggregation from Omaha here tomorrow night boasts an average of more than forty points a game. In registering eleven straight triumphs, Coach (Jug) Brown's Tigers have amassed 446 points while limiting their opponents to 166.

With the exception of the classy Jackson high outfit from Lincoln, no quintet has come closer to upsetting the Brownies than eleven points. The margin of the Falls Citians over Jackson was 24 to 21.

Against the Omaha club, the Tigers will be seeking their twenty-sixth victory without a reverse in a regularly scheduled tilt.
