Ah, quats!

"LEFTY" IS HAPPY..
 ... she's happy be-
 cause she has LES.....
 that sounds kinda silly
 but she swears 'tis so
she's happy, too,
 because every once in
 a while she gets her
 allowance without ask-
 ing for it....that is,
 more than twice!.....
 And she's happy because
 "Pop" doesn't stay out
 so very late....that is,
 so very often....and he
 always manages to get
 home in fairly good
 shape....that is, al-
 most always!.....She's
 happy, too, because she
 gets a new coat about
 once every six years...
 .she's happy, too, be-
 cause the boss (that's
 a laugh!) never com-
 plains about her cook-
 ing....he didn't gripe
 about the biscuits
 either time last year!

LES IS HAPPY...

...he's happy because he has something "LEFT"!.....and because she doesn't ask embarrassing questionsthat is, not often!and she never keeps him in the dog house more than a week at a stretch....that is, not usually!.....and she doesn't nag at him for scattering his clothes all over the place.... that is, not much!.... And she doesn't insist on picking out his ties and shirts and never writes to Emily Post about his breakfast table manners... .she always lets him read the sport page and dunk his toast in peace....that is, almost always!

And "Lefty" and Les are both happy because of a little package of four year old bottled-in-bond sunshine..... Shirley Ann, the grandchick who roosts with a couple of swell birds' ...Margaret and "Smitty" ////////////////////////////////////// And it all adds up to this.....because they have so many true blue friends just like you the whole ~~damn~~ flock of the "BLUEBIRDS" are happy!.....and they hope you're happy too! ...honestly they do!

Dear Harry:

It was fine of you to send us the rotogravure booklet on "The Great Hurricane and Tidal Wave of Rhode Island", and we thank you for it. It is certainly a historic thing and something worth keeping. Our entire family has looked at it with much interest, and we do appreciate your remembering us.

Dear Coach Lewis:

I have received your letter of recent date in regard to tickets to one of our basketball games at Lawrence.

We have turned your letter over to Mr. Earl Falkenstien, financial secretary of the Athletic Association, who handles the tickets, and I am sure that he will do the very best he can for you. You may expect to hear from Mr. Falkenstien at an early date.

With best wishes, I am

U. S. Army Air Corps,
Washington, D. C.

Gentlemen:

I am advised that Mr. Charles Laub is making application for appointment as a flying cadet in the United States Army Air Corps.

Mr. Laub received the degree of Bachelor of Science in Electrical Engineering here at the University of Kansas in 1938. He was active in athletics during the time he was a student, although he never lettered in a varsity sport. His financial resources were such that he spent much time outside the classroom in his endeavor to pay his expenses.

I have known Mr. Laub for a number of years and have always found him very dependable, loyal, cooperative, and able to do the job assigned in a highly satisfactory manner. He is a young man of high character, clean, capable and courageous. He has no bad habits, does not use narcotics nor alcoholic beverages.

Charles Laub is a very deserving and worthy young man for whom I have a high regard. It is a pleasure for me to recommend him for your serious consideration.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

WILL YOU HELP- "PLEASE"-

Mister Member:

You no doubt have close friends on the enclosed list. We have just sent each of these gentlemen a Guest Card for the Lawrence Country Club.

Their membership will make the club more pleasant for you, and for all of us.

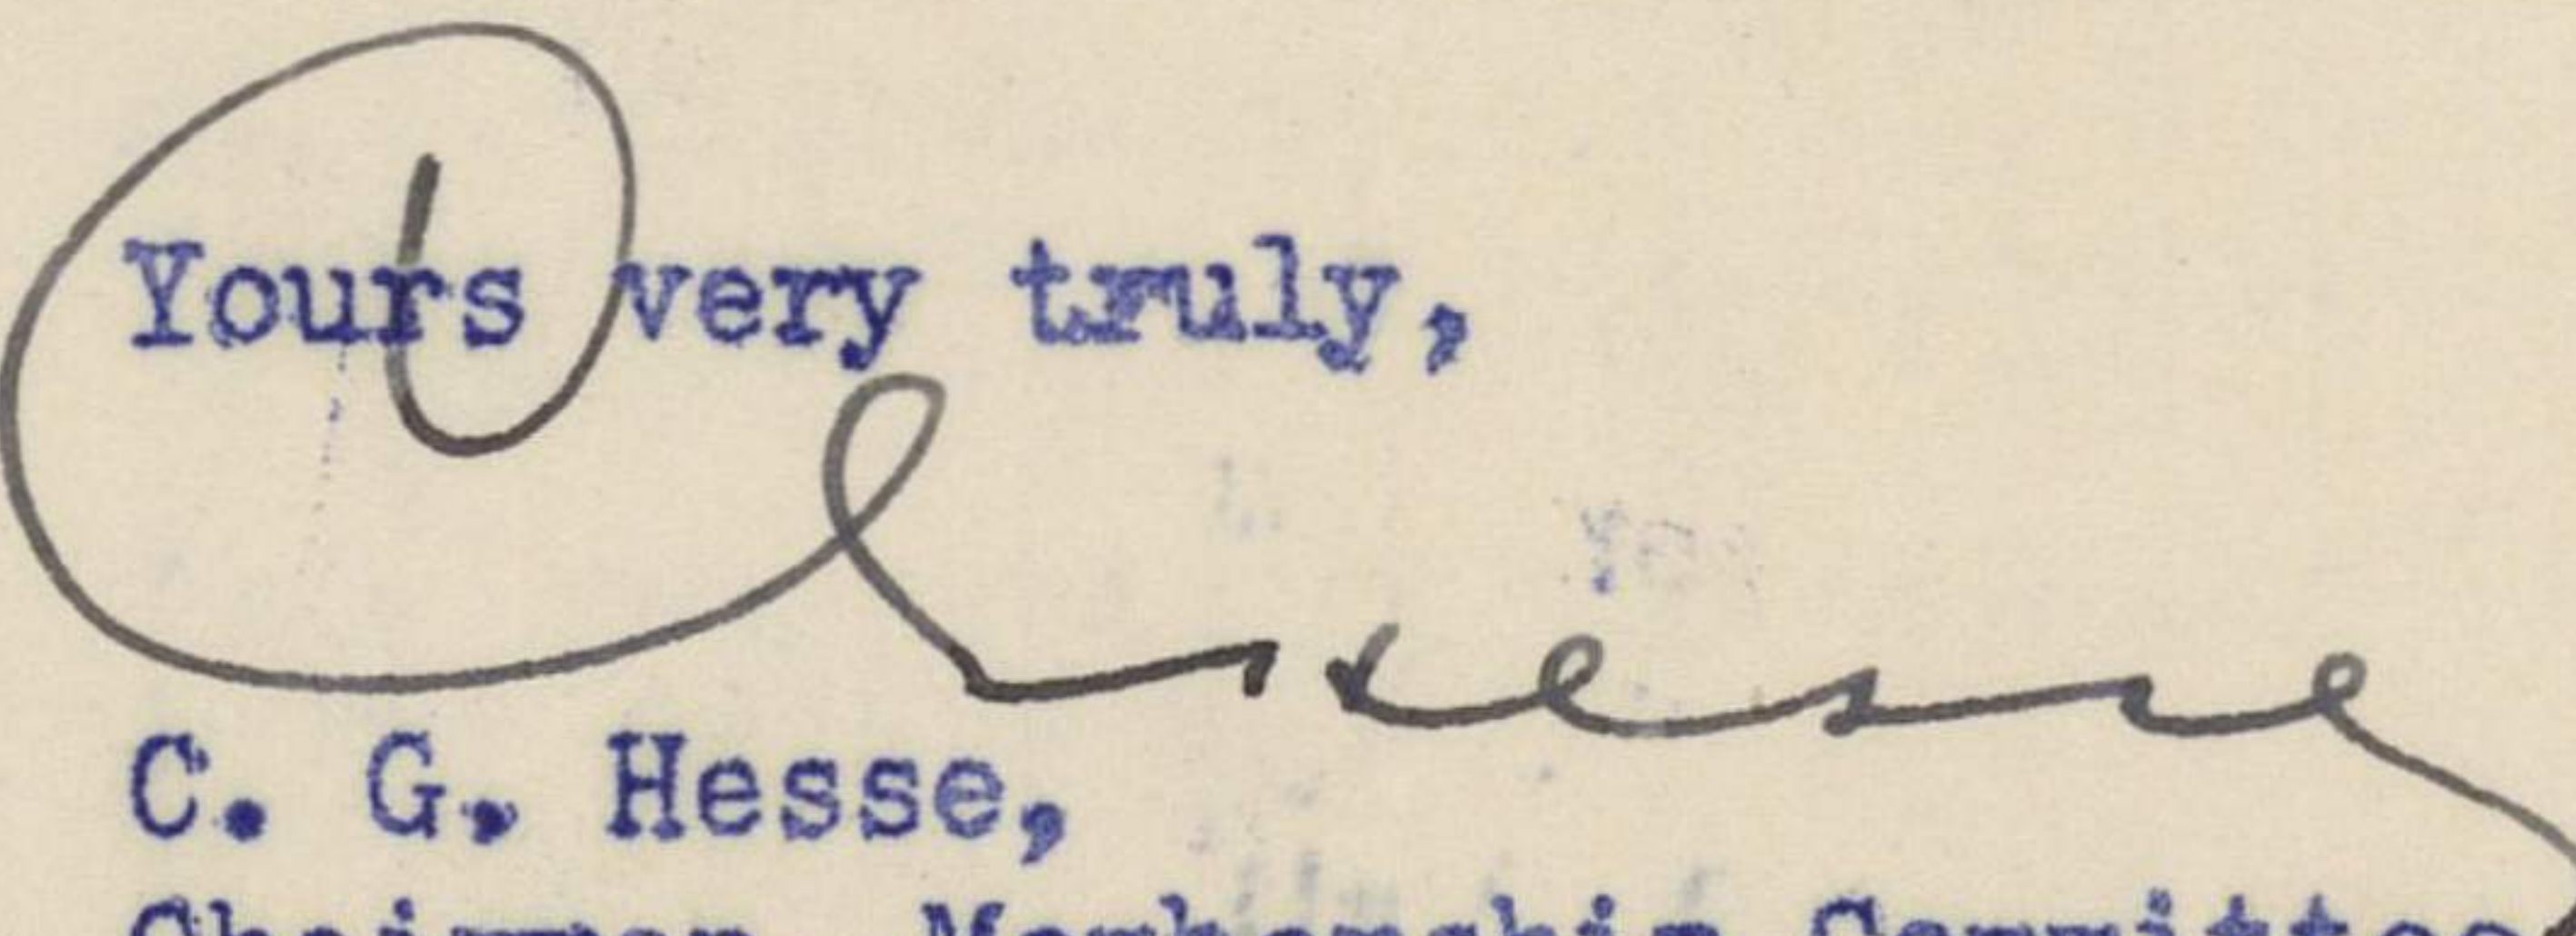

During the next 30 days won't you make it a point to call your friends on this list and arrange a golf date. It will be much more pleasant for them to go to the club with a member. It will give you an opportunity to show them the facilities of the club -- and discuss their membership.

The committee will appreciate this help very much.

For your information, full membership dues are \$4.13 per month; social membership \$2.75 per month. There are still a few shares for loan, or shares may be purchased at about \$50.00.

Thank you for this help-- as a result we hope membership "from the Hill" will be materially increased.

Yours very truly,

Dear John:

I am sorry I did not get to see you when you were at the office the other day. Dr. Elbel told me that you were inquiring about courses in Physical Education this summer.

Although you do not have the prerequisites for the course in Theory and Practice of Athletic Training, I believe that your teaching experience will make up for this. I shall be glad to recommend to Dean Schwegler that you be allowed to take this course, and I feel sure you will have no difficulty.

I understand from Dr. Elbel that you desire to take this course, which I am teaching, and also Dr. Elbel's Seminar in Physical Education. I assure you it will be a pleasure for us to have you here this summer, and if there is any way we can help you please feel free to call on us.

Summer school has been going along very nicely, and is now drawing to a close. Next Wednesday, the 9th, is the last day. We have all kept quite busy with teaching schedules and the recreational program.

Dr. Elbel has been in the hospital for a couple of weeks with a "strep" and "staf" infection on his upper lip, but he expects to be able to go home in a very few days. We, of course, are happy that he is on the mend.

Mr. Valentine Lentz,
Pines on the Severn,
Arnold, Maryland.

Dear Val:

It is a pleasure for me to write the letter you request to Graduate Manager of Athletics, Lt. Col. Louis E. Hibbs.

While I am always happy to please you, I have always considered it a questionable practice to write a letter in behalf of one who is being considered for a position especially when the writer is in no way connected with either job. I make it a point with all of my students and graduates never to write a letter unless the individual doing the hiring is asking me for a letter. I tell the applicant to give my name and then if the individual is interested sufficiently to write me I am in a much better position to go the whole way for the applicant. However, knowing you as I do and desiring to be of service, I am writing Colonel Hibbs and sending a carbon copy to you for your records.

Roland Logan, the trainer of the U. S. Military Academy athletic teams, dropped in yesterday to say hello. He is a graduate of the University of Kansas and received his training under me. He is out this way on his vacation and incidentally lecturing to the Kansas State High School Athletic Association membership, which association is conducting a coaching school for coaches.

With all good wishes, and trusting that you land the job that you are striving for, I am

Sincerely yours,

Director of Physical Education and Recreation,

Lt. Col. Louis E. Hibbs,
Graduate Manager of Athletics,
U. S. Military Academy,
West Point, N. Y.

Dear Colonel Hibbs:

I have been asked by Mr. Valentine Lentz, the varsity basketball coach at St. John's College at Annapolis, to write you concerning his qualifications for a position at your institution.

I have known Mr. Lentz as a member of the National Association of Basketball Coaches for a number of years. I have always found him a highly intelligent gentleman, who is aggressive, purposeful and efficient. Mr. Lentz has always served on the councils of the National Basketball Coaches Association, and two years ago was chairman of the Research Committee. As chairman of the Research Committee of the National Basketball Rules Committee of the United States and Canada, I found much aid and pleasure in working with my colleague for the betterment of the game of basketball.

Mr. Lentz is very popular with his colleagues, and I am sure that should he be fortunate enough to be considered by your institution that you will obtain a very valuable coach.

Roland Logan just dropped by the office to say hello. He received his training here and we were glad to hear the fine things regarding the progressive improvements in building facilities that are taking place at the Point. A few years ago I dropped by to see my good friend, Major "Biff" Jones, who at that time was acting in your position of Graduate Manager of Athletics. Logan tells me that Leo Novak is relinquishing his basketball duties. I knew Leo when he was coaching at Cedar Rapids High School prior to his going to the Point. I would be glad to be remembered to him.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
