U. S. Army Air Corps,
Washington, D. C.

Gentlemen:

I am advised that Mr. Charles Laub is making application for appointment as a flying cadet in the United States Army Air Corps.

Mr. Laub received the degree of Bachelor of Science in Electrical Engineering here at the University of Kansas in 1938. He was active in athletics during the time he was a student, although he never lettered in a varsity sport. His financial resources were such that he spent much time outside the classroom in his endeavor to pay his expenses.

I have known Mr. Laub for a number of years and have always found him very dependable, loyal, cooperative, and able to do the job assigned in a highly satisfactory manner. He is a young man of high character, clean, capable and courageous. He has no bad habits, does not use narcotics nor alcoholic beverages.

Charles Laub is a very deserving and worthy young man for whom I have a high regard. It is a pleasure for me to recommend him for your serious consideration.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
