Mr. Howard Jones,
Football Coach,
University of Southern California,
Los Angeles, California.

Dear Howard:

A very good friend and neighbor of ours, Mrs. L. N. Lewis, desires to drive to California for the Rose Bowl game. I realize that it is a little early in the year to get any action on tickets until the champion is declared, but I thought perhaps you could have your secretary write me advising me the procedure to follow in obtaining four tickets for Mrs. Lewis.

You were very kind a few years ago when U.S.C. won the championship in fixing me up beautifully for our bursar, Mr. Karl Klooz, of the University of Kansas. It was late then and you did a splendid job. I had written a personal letter to you and sent it by Mr. Klooz, and you got the job done in a wonderful fashion.

Now, I do not want to worry you at the last moment when everybody cries for tickets, but I would thank you to give me the modus operandi as to how I can obtain these tickets for a good neighbor.

We hear reports of a very powerful U.S.C. team coming up, and we trust that they will not over play at first but that your realizations will fulfill your fondest expectations.

With kindest personal regards and best wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
