Mr. John W. Bunn,
Dean of Men,
Stanford University,
Palo Alto, California.

Dear Johnny:

I am sorry that I missed you when you were in Lawrence. Mrs. Allen, Jane and Eleanor had driven to New York for two or three weeks, and then stopped at Louisville. Bobby and I drove down there to be with the family and we did not arrive home only in time to see George when he was in Lawrence the week previous to the opening of your school.

I was in and out of Lawrence the week of your coaching school and I was sorry that I missed you when you stopped by. Karl Klooz told me that he just had a "hello" with you when you were through.

I understand you had a fine school up there and that you put your subject over in good shape.

Johnny, I am writing you for information regarding Rose Bowl tickets. Mrs. L. N. Lewis, a neighbor of ours here on Louisiana Street, desires to drive to California for the Rose Bowl game and she wants to make application as soon as possible for four tickets so that she will get some good seats. I realize that there is no chance to get these tickets before they determine the winner, but is there some plan that you could tell me about so that I could advise her or act for her so that she will not be left out?

I will appreciate this if you will give me the general set up so that I could be of some service to her.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
