Mr. Forest Allen

My dear Phog:

We are endeavoring to work out some plan for a basketball score board here. I am interested in the time clock used by you in the auditorium. Will you give me some information as to its construction, probable cost, and reliability? Is it operated from the scorer's desk? Did you make it? If purchased, from whom was it purchased? If you made it, do you have a blueprint and details?

I thank you for this information at your earliest convenience.

Very truly yours,

E. S. Liston  
Athletic Director
