Dear Les:

It looks as if an accident had happened to my driver. Since I bought these clubs last year I was the recipient of a new set by my Lawrence friends, so I turned these over to Bobby. Bobby and I have been playing and I guess he got a little too husky.

At any rate, I am sending this in and I would appreciate it very much if you would put a new head on it if you think it needs it. I believe the crack is beyond repair. However, if this could be fixed, according to your opinion, do that and ship it to me at your early convenience.

I have been mighty well pleased with these Wilson clubs. They are dandy. It is difficult for me to say which clubs I like the better.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
