

August 1, 1940.

Mr. Henry Levitt,
420 East Douglas Ave.,
Wichita, Kansas.

Dear Henry:

Our school is over here on the 7th, and I had planned to drive down to Texas immediately after that. But the weather has turned so warm that I believe I will go down on the train. It will be either the 8th or 9th when I leave, and I expect to stop in Wichita enroute. I will let you know definitely as soon as I get my schedule arranged, and you can get in touch with Al Gebert or Coach Hennich.

I hope you had a pleasant vacation.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
