Dear Karl:

I was out of town Saturday when your letter of May 3rd arrived. I had asked Gene Billups, one of our seniors, to take charge of our Goal-Hi entry, and he talked to one of your men, a Mr. Berg, I believe, last Saturday about our entry.

Mr. Billups learned at that time that the drawings for the Goal-Hi tournament were closed. If that is the case, it is perfectly all right with us. We shall abide by your decision, so whatever you say will suit us.

I shall be very happy to make the presentation of the trophy to the winner of the Goal-Hi tournament. Will you kindly let me know what night this will take place?

Very sincerely yours,
