Mr. "Phog" Allen,  
Basketball Coach,  
University of Kansas.

Dear Mr. Allen;

I wrote you several weeks ago in regard to an N.Y.A. job next fall at K.U.; I am writing you again at this time to inquire as to the possibilities of a job of some sort this summer in which I could make enough to live and save something for school next winter. I know that some schools have arrangements for this sort work to aid the students who cannot afford the expenses. If there is any way to get a job and go to summer school too I would like to do this.

I am very anxious to come to K.U. if I could make arrangements so it could be done, and I would like to try for the K.U. basketball team. I am looking forward to hearing from you if you have any suggestions as to this, or can help me in any way.

Sincerely;
