Mr. Harold E. Long,  
615 West 3rd Street,  
Eldorado, Kansas.

Dear Harold:

I apologize for the delay in responding to your fine letter of the 25th ultimo, but I had given it to Vic Hurt so that he might be acquainted with the situation, and he has just returned it to me.

I have met young Miller and think he is a very splendid chap. He seems very intelligent, and we should be glad to have him here. We will do all we can to help him. However, I do not see how he can afford to give up the job he has there.

I expect to be in Lawrence on Saturday, the 6th, but usually in the afternoons we like to play golf. I will be at the office in the morning, but if you come in the afternoon come right out to the Country Club. I will be glad to see you there.

I assure you it was a pleasure to have you in my Baseball course this past semester. Our summer program is proving very popular, and Dave Shirk is doing a fine job as our right hand man with the playground and the softball league.

With best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
