University of Kansas
Lawrence, Kansas

Dear Doc:

From the contents of your letter, it seems that unless we are able to get together some week end, it will be some time late in August before we can come to some understanding.

I therefore suggest, that you endeavor to come down here this coming Saturday or week from Saturday, if possible. I will be here all summer, with the possible exception of the two weeks between July 21st and August 4th. I hope you can arrange to come down some time within the next two weeks, so that we can get all the details settled.

I believe we need only a few minutes together to settle this matter, as we both understand pretty well the terms under which the game is to be played. Will you kindly advise me when I can expect you?

Kindest regards, I am,

Yours sincerely,

Henry Levitt
