Dear Mr. Bennett,

I acknowledge receipt of your letter and enclosed check for four reserved 1941-42 basketball season tickets.

I am turning them over to Mr. Earl Falkenstien, Financial Secretary of the Athletic Association, who will give your order immediate attention. I have asked him to give you seats as near as possible to the place that you indicated that you preferred.

The tickets will be \$6.16 apiece and there will be an additional charge of 10¢ for insured postage. This will bring the total cost to \$24.64.

I am very happy to be of service to you and it was a pleasure to attend to this matter, I assure you.

Sincerely yours,

FCA/pg
