

343 Summer St.
Lynn, Mass.
Jan. 23, 1940.

Dear Plog:

I am merely
awakening from my big
van Winkle of written
communications. As the
European countries declared
a moratorium on debt
repayments so did I men-
tally declare a morato-
rium on letter writing.

My health is fine -
my heart strong - courage
unsurpassed - and my
spirit livelier than ever.
I hope that you and
your family are in ex-
cellent health.
