Mr. J. C. Allen
Lawrence, Kansas

Dear Coach Allen:

We were happy to have your acceptance to address our high school athletes at the annual Chamber of Commerce banquet, Wednesday, Feb 21.

The meeting will be held at the Country Club house, at 7:00.

You asked about what to talk. Because of your wide experience with functions of this kind we will leave this to you. Some points that apply to us are: In football this year, and for the past five years our teams have been winning teams. In basket ball we have lost entirely this year, and in past years. For some reason our boys generally have not been inspired to train. In the matter of inspiration if you would stress your philosophy of the importance of training and scholastic eligibility to athletes it will be a fine local service. Our boys need the "Boys Die on Their Feet" program will be fine. We know your part in our program will be fine.

Sincerely yours
D.R. Lidikay
