Miss Mary Kay Lattner,
1503 E. 27th Street,
Tulsa, Oklahoma.

Dear Mary Kay:

It was a real pleasure to hear from you and to know of your two jobs. I expect it is a lot of fun, isn't it - in spite of the fact that you are kept so busy.

Dr. Duggan and her assistants were here and really gave the folks a treat. Yes, she did leave some material - dances and music in mimeographed form. Jane Byrn has a copy of the whole set which she is holding for you, and if you will send her a dollar she will mail it to you.

Jane is also writing you and will give you the information you want on modern dance material.

Dr. Allen says to tell you that he has all the confidence in the world in you - he knows you are capable of handling any job that is assigned to you. He really thinks you are "tops".

Basketball practice has been in full swing for nearly a month, and right now we are planning for the Varsity-Frosh game on the evening of Homecoming, November 24th. Maybe you will get here in time for that. We'll be looking for you.

Best of luck.

Sincerely,
