

not to merit something on my own.

I saw D. J. for a minute  
+ I guess the others were unable  
to locate places. I am so sorry as  
I know they all would have  
succeeded.

I hope you + Mrs Hutton  
will keep me well informed about  
all your doings as I am so  
anxious for news of you - I will  
try + make it up in the fall +  
my first visit will be to your  
office - Don't forget me - +  
please remember me to Mrs Allen +  
Eleanor -

Sincerely,  
Mary Kay.
