Mr. Paul Fairhurst,
Order Supervisor,
Lowe & Campbell Athletic Goods Co.,
Kansas City, Mo.

Dear Paul:

Mr. Henry has shown me your letter of September 14th regarding our order for basketball shoes.

Frank Mandeville has been here and talked with me about it. Is there any likelihood that the order will be filled? If not, let us know so that we may send you a cancellation.

It is just as well to clear up those things right away, because in my budget I want to know which orders are filled and which ones are cancelled.

Thanking you for your courtesy in this matter, I
am

Very sincerely yours,
