Dear Friend:

The Larnak News came a few days ago and I enjoyed it very much. I have taken a flyer into the business world and it looks very good and is going better than I had hoped for. I hope the enrollment in the department is showing an increase.

Would you write a note to the Dir of N.A.P.E. at Wichita^(city) and inform him that I'll be unable to speak at their fall teachers state teachers meeting due to the distance between there and here. If you care to suggest Dr. Allen or Dr. Elbel as a substitute, a Kansas representative might get the advertising.

This address is permanent. Thanks.

Very truly yours,
V. W. Lapp
