Mr. Louis Lelley,

Houston, Texas.

Dear Mr. Lelley:

Thank you for your kind letter of April 10th.

At the present I do not know of any openings for a trainer, but shall be glad to let you know if I should hear of anything. I've been wondering why you don't go ahead and finish medical school. It seems to me your future would be much better if you had your medical degree.

No, I am not planning on holding a coaching school in Texas this summer. However, I am contemplating having a school here and possibly one in the east, the place to be determined later. If you are coming up this way I shall be glad to see you.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
