Dr. F.C. Allen
Director of Physical Education
University of Kansas

Dear Dr. Allen:

I am returning your correspondence
with Mr. P.C. Popplewell of Dallas, Texas.

I will be most happy to see him
or his protege any time it is convenient for them to
be in Lawrence. I hesitate to write to him as we are
not in position to take care of a boy, out of state
fees and all, especially knowing nothing about him.

I would much rather get Kansas
boys, if we can get them.

Sincerely yours,

Ad Lindsey
