Mr Phog Allen:
Kansan University.

Dear Mr Allen

I am the coach at Chackerville High School and I sent for your book.

Lowe + Campbell was out at that time. If you have some old books or literature about basket ball I wish you would send me some of them, if it isnt asking to much.

I have heard some fine compliments about your ability to coach a winning team.

I like to get some information on anything that would help me make a winning team

Yours Truly
Mark Langston.
