

December 3, 1937.

Mr. Roy Lawrence,
906 Massachusetts St.,
Lawrence, Kansas.

Dear Roy:

It certainly was swell of you and Web to send those Delicious apples out to our home. They and are delicious. And I would say that you are regular fellows in remembering an old fellow who likes to eat apples better than to polish them.

Thank you so much.

With kindest regards, I am

Sincerely yours,

Varsity Basketball Coach,
Director of Physical Education.
