Principal H. C. Lacey,
Alexander, Kansas.

Dear Principal Lacey:

I have your post card of October 30th asking for material on "Physical Education for Junior High Boys and Girls".

The enclosed set of mimeographed sheets gives quite a full discussion on physical training which might well be used for the boys.

We have no mimeographed or printed material for girls, but would suggest the following books:

An Athletic Program for Elementary Schools,
by Leonora Anderson, published by A. S. Barnes Co.

An Athletic Program for High School and
College Women, by Hillas and Knighton, pub-
lished by A. S. Barnes Co.

Physical Education Activities for High
School Girls, by the University of Michigan
Physical Education Department.

I trust this will give you the in-
formation you desire, and if you have any further
questions we shall be glad to hear from you again.

Very sincerely yours,

Director of Physical Education.
