

April 4, 1944.

Mr. William Lindquist,
1007 Central Avenue,
Kansas City, Kansas.

Dear Bill:

I was awfully glad to hear from you. I am glad to know that you landed a job with the Chrysler Motor Products Company. I am sorry that the Standard didn't really appreciate it when they had an opportunity to hire a good man.

Yes, sir, Bill, they awarded letters, and awarded William Lindquist a K in basketball. The athletic board met last Friday and made the awards although it hasn't been in the paper. Karl Klooz was waiting until he could get all of the board together and that accounts for the delay. So you are a full-fledged K man, even though it hasn't been in the paper. You see, I don't have anything to do with that, Bill. It was in the Journal World, but I do not know why the Kansas City papers did not carry it.

I am not sure just what they will do with the 4F's. We are meeting this afternoon with our Selective Service Board at the Community Building and we may learn more, but some of the instructions regarding the 4F are still rather vague. I do not believe the authorities are together on the disposition they are to make of the 4F boys as yet.

Sunday afternoon I was at the wedding of Lt. Bill Arthur, Navy bombardier, to Shirley Bayles, the daughter of the Superintendent of Buildings and Grounds here. The reception was at the Theta house and I saw APO McSpadden with his sweetie, Miss Ainsworth. They both looked mighty swell.

Tiger Dean is still making fire around the campus, just as you described him. Dean will be glad to get your message and he will follow your orders.

You count on my helping you at every possible opportunity. Give my regards to your good folks. And stay in there and pitch, Bill. Come see us when you have an opportunity.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
