Mr. Norman Locking,
c/o The Arena,
Cleveland, Ohio.

Dear Norman:

I have been wondering with a great deal of interest how the old kick in that knee was coming along. Dean Nesmith, Henry Shenk and I were talking this morning and Dean said that he heard a broadcast of a hockey game the other night and that Locking's name came in for quite a bit of mention, and incidentally, quite a bit of praise.

Norm, we are just wondering how the knee is getting along. Won't you drop me a line and let me know actually how it is? Do not embellish the report. If it hasn't been getting along well, or if it did not mend rapidly, tell us the worst first. We are all interested in you and we are hoping that the knee is O.K., although we do realize that age catches up with all of us.

With all good wishes from your good friends here at the University of Kansas, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
