Mr. David Lawson,  
School of Fine Arts,  
University of Kansas.

Dear Mr. Lawson:

I want to tell you what a marvelous job  
you did in singing The Star Spangled Banner last night.  
Gosh, we have got to have it now at every game!

There is no contribution, outside of the  
Band, that has meant as much, I think, as your fine  
rendition coming at the time when the lights were off  
and the flag was being raised.

With deep appreciation and best wishes,  
I am

Sincerely yours,
