Mr. Guy Lehn,  
Director of Intramurals,  
University of Arkansas,  
Fayetteville, Ark.

Dear Mr. Lehn:

In reply to your inquiry of July 18th, I regret that we do not have a handbook on intramurals available. We are in a transition stage - doing Army, Navy and civilian physical conditioning work, and of course we have intramural sports, but they are not the usual type at the present time.

Very sincerely yours,
