

July 26, 1944.

Miss Ludy Land,  
300 East 3rd St.,  
Lee's Summit, Mo.

Dear Ludy:

I am enclosing herewith our little bulletin on the courses for Physical Education majors, and am asking the Registrar's Office to mail you a copy of the University catalog. I am also sending your transcripts to Dr. Laurence Woodruff, the registrar.

The six weeks term in the fall begins September 13. This is the time most new students will be coming to school, and they will find it easier to go right into the winter term, which begins October 31.

Mighty happy to have had a visit with you and your mother and dad. Feel perfectly free to write about anything you would like to know from time to time.

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
