Dear Dr. Allen:

The purpose of this letter is to provide you with acknowledgment of the existence of a contract which shall be binding on both parties with the signature of an officer of the Company in the presence of witnesses, and to outline and to list and elaborate upon the duties, each party agrees to undertake individual the new game "GOAL#E" (which name may be used to successfully and profitably manufacture to play the game.

1. It is the Company's intention to protect the equipment in question, a trade-mark and copyright protection on the rules book describing the game. The entire expense of protection and in defending it against the Company, who retains sole ownership by the Government. In addition, it is the Company's intention, to the best of its ability, the cost of the equipment required to play the game shall be entirely absorbed by the Company.
2. Only the Company shall be privileged to manufacture competitive equipment.
3. The Company agrees to pay you, quarter the selling price of each piece of equipment by the Company or by others license.
4. You will immediately prepare and a book which shall contain the fundamentals of the game for playing it by people of all ages. The Company in the preparation of any equipment required. The entire expense of all printing plates to be absorbed by the Company.
5. You authorize the use of your name and photographs in all advertisements to be distributed in the interest of the Company.
