

July 28, 1939.

Mr. R. E. Weinzettel,
Sales Promotion Manager,
Medart Manufacturing Co.,
St. Louis, Missouri.

Dear Mr. Weinzettel:

I have received your air mail letter of the 27th instant, and am glad to know that you plan to be with us Monday morning. Mr. Andlauer is coming over about 11:30 Monday morning to get all arrangements in order.

I have just called Billy and learn that he is not bringing a sound truck. He wants to make shots of the players in action, and when the reel is shown they will have a commentator explaining what it is all about.

You may be interested to know that we have arranged to have the game played between our boys and a team of Indians from Haskell Institute, which is located here in Lawrence. This will give it more color and will add a great deal of interest. The Indians, of course, will wear their own game uniforms. I believe there is going to be a tremendous amount of interest in the game.

Looking forward to seeing you Monday, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
