various ages. From this end we have to have some photographs pretty quick for our patent attorney and I am hopeful those pictures you promised me from the Kansas City Star will be forthcoming without a great deal of delay.

If I get any more thoughts on this subject during the day, I will add them to this letter, but meanwhile, look forward to definite word from you by Western Union as requested in the attached confirmation on my wire to you this morning.

Kindest regards.

Cordially yours,
