Mr. R. E. Weinzettel

Dear Mr. Weinzettel:

I have a wire from Owen Reed relative to the backboard demonstration. I am suggesting that he arrange it for Monday night, May 1st. He will probably make arrangements for use of the gymnasium at New York University. I have no doubt he will notify you as soon as definite arrangements have been made within the next day or so.

Yours truly,

(Signed) H. V. Porter
