My dear friend Allen:

One of our graduates, Sammie Hasegawa, an American Japanese boy, is teaching and coaching at Wheaton, Kansas. He is tremendously interested in basketball, and was an outstanding player both at Redlands University, California, and here at Ottawa. He would like to take some work under you at some time, and I was wondering if you have a special coaching school, or if you are available at a summer session where he could take special work under your leadership.

Any suggestions you can give me in this matter will be greatly appreciated.

Yours sincerely,

Andrew B. Martin
