x The K. C. Phi Psi Mothers Club has raised the money to furnish the room
x on the 1st floor of the house across the hall from Mrs. Dungan's room.
x They have papered it, put up venetian blinds, bought a nice studio couch,
x so that Mother D. can have her friends stay over nite. Bones Williams
x donated a vanity table. So you gals that come down for homecoming,
x wives, etc., will have some place to put your things in this new "POWDR"
x room. Three cheers for the Mothers Club. And they also made the swell
x rayon curtains for the sun porch.

THANX MOM
