Dear Chig

Your nice letter received and
thanks so much for your attempt
to locate a pair of basket ball shoes for
my son Bradford.

He wears a #12 shoe but the basket
ball shoes I have been able to find
are that size but in a cheap make, which
may account for the poor fit.

I wondered if in a better make of shoe
such as you are able to buy a #12
would fit him. If you can spare
a pair of these I would appreciate
your sending me down a pair for
him to try on. ~~either used or otherwise.~~
I had to see you took care of Neb. in
good shape last night. Sincerely
M.B.M.
