Topeka, Kansas

Dear Bill:

I certainly appreciated your congratulatory letter of May 13, even though I have been very tardy in acknowledging it.

We are beginning to get things rolling in our new organization, but it will take sometime. I am fortunate in having an excellent group of instructors in the department. I do not know where one could find any better men in their fields than Dr. Allen, Dr. Elbel, Kanehl, and Strait.

I certainly appreciated your various boosts you have given me and I am looking forward to the time when we can have a good visit.

Very sincerely yours,

Henry A. Shenk,
Chairman of the
Department of Physical Education.
