for if none is on hand, I should like to order some, to
use while at the University. Do you think I could
arrange to keep my training equipment in one of the
gyms or in my quarters?

I do not believe that I shall try to make any of the
University teams this fall, since I shall probably not
weigh more than 150 lbs. by school time. However,
beginning with my sophomore year, I shall try out for
the football, gymnastics, and track teams. Wrestling,
boxing, swimming, and baseball also interest me.
Hoping to hear from you.

Respectfully yours,
