Dear Milt:

I was delighted to be able to render any small service I could to you and your family, especially to your son Bradford. Call on me at any time, it will be a pleasure to serve you.

Kurland was just too tall for us. I am sure that your analysis of the situation was exactly that of mine. Next year they won't have the tall boy and we expect to give them a closer battle.

With all good wishes to you, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
