Suite 200 Central Building
Topeka, Kansas

Dear Milt:

It was awfully nice of you to take time from your busy existence to write us a note congratulating us on our Big Six Championship this year. The things you say naturally please us and coming from you, a very durable and sincere gentleman, I assure you I appreciate it.

Milt, you have always been just what you are, not a fair weather friend, but one you could always count on. If you didn't like anything, you didn't throw brick bats, but expressed your opinion in a fine way. I have always admired you very, very much and I do appreciate this letter.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach.
