*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That, to aid in the successful prosecution of the War, whenever an invention, whether patented or unpatented, shall be manufactured, used, sold, or otherwise disposed of for the United States, with license from the owner thereof or anyone having the right to grant licenses thereunder, and such license includes provisions for the payment of royalties the rates or amounts of which are believed to be unreasonable or excessive by the head of the department or agency of the Government which has ordered such manufacture, use, sale, or other disposition, the head of the department or agency of the Government concerned shall give written notice of such fact to the licensor and to the licensee.
