Dear Sirs:

I am planning to use your text, PERSONAL AND COMMUNITY HEALTH, by C. E. Turner, in our winter term just starting. My copy is the sixth edition, 1942. I am unable to locate the "key" which usually accompanies the text, and would appreciate your sending me a copy.

My students will doubtless purchase the latest edition available at the book store, and of course if there has been an edition since 1942 I would like to have an up-to-date key.

Very sincerely yours,

Reginald R. Strait,
Instructor in Physical Education.
