Mrs. Grace Miller,  
1330 Baltimore,  
Kansas City, Mo.

Dear Mrs. Miller and Rowena:

It was a delight to see you good people yesterday. As I promised, I am sending you the Jayhawk Rebounds for your perusal, and after you have finished it you may mail it, if you wish, to Floyd.

You can tell Floyd we have him on the mailing list, but since I do not have his address it will be economy to mail the Rebounds to you girls, then you can mail it on to him.

We are hoping this terrible conflict will be over before long and that you and Floyd will be reunited in the very near future, and then you can come and watch a basketball game and look at some loud socks.

Rowena, here's the Allen's love to you and your fine people.

With continued best wishes to you and your grand uphill fight, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
